TEN YEAR LIMITED WARRANTY**

Polygal Inc. warrants, for a period of 10 years from the date of original purchase, POLYGAL High Impact Polypropylene 8mm (UV Protected) Sheets (hereinafter: the "Product") so that the Product will not undergo a change in yellowness index in excess of 10 delta in comparison with the original value when tested in accordance with ASTM E-313-73 (93), and/or will not lose its impact strength in the event of hail alone, as described below.
